

Campsite Kids 2023!

This program's on FIRE!

Campsite Kids is a nature themed summer program that runs June - August for K-5th grade (must have completed K) from 7:00 am to 5:00 pm. Campsite Kids takes place in the woods behind Birch Grove—a paved bonfire area, camp chairs, tents, picnic tables, a hammock circle, forts, and trails provided! We have a storage shed full of supplies and activities! It's going to be a great summer! You can find more information on this program at www.birchgroveschool.com under Community Service Programs/Campsite Kids.

Campsite Kids 2023 will run Monday – Thursday.

The first day is Monday, June 12, and the last day will be Thursday, August 24.

This is a popular program and there is no other like it in Cook or Lake County. Space is limited!

The cost of this program is:

Half Day: 0- 5 hours \$18.50

Full Day: 5-10 hours \$37.00

Payments are due 2 weeks in advance using the Brightwheel system.

Staffing is a combination of BGCS licensed elementary teachers, BGCS paraprofessionals, and the BGCS school director. All are experienced in working with children and all have worked Campsite Kids before. We are excited for an awesome summer!

Transportation to and from the program is not provided. We highly suggest ride sharing with other families. If you are interested in this, please let us know and we will get you in contact with others from your area that are attending.

You will not be considered to be enrolled until:

- All of the paperwork has been turned in – including parent/guardian and child signatures
- You have pre-paid for the first two weeks of attendance through Brightwheel
 - If you do not yet have a Brightwheel account, contact Jessica Klemmer at Jessica.klemmerbgcs@gmail.com or 218-663-0170

We look forward to a great summer and we hope that your child is a part of **Campsite Kids**! If you have any questions, please call us at 663-0170 or email birchgrove@boreal.org.

Campsite Kids Contract – 2023

Campsite Kids is a nature themed summer program that focuses on learning through exploration and various levels of activity. The program is intended for children who are eager to embrace these daily activities. The program will include activities on and off grounds including: free play in the woods, physical games, nature projects, a daily 30-minute quiet reading time, art projects, cooking over a bonfire, guest presenters, and hiking to Lake Superior, to name a few. Please encourage your child to embrace the many aspects of the program.

The safety of all children is a high priority, as is ensuring that the program is a positive experience for ALL of the children in the program.

- Participation in all activities is required, as staffing does not allow for the group to split up to accommodate (or stay behind with) individual children
- Severe or repeated issues with behaviors including: refusal to participate, negative peer interactions, physical/verbal abuse, bullying, or inability to follow safety directions (especially around the campfire) may result in removal from the program (and we can try again the following year).

In addition to a positive attitude, each child will also need to have the appropriate clothing and gear needed for the program each day. This includes:

- Comfortable **closed toed** shoes – no flip-flops, high heeled shoes, fashion boots
- A sweatshirt or extra layer
- Backpack
- Water bottle
- Change of clothes stored at the program or in backpacks, no matter what age!
- Labeled sunscreen and labeled bug spray (can be stored at the program or left in backpacks)
- Healthy snacks and cold lunch that does not require a microwave (microwaves will not be available). We will be cooking over the bonfire throughout the summer – we will try and give notice as early as possible. We would still want you to pack snacks for these days, as kids get very hungry throughout the day – it must be all the great activities! ☺

Advanced notice will be given if additional items are needed.

Campsite Kids will not alter plans due to children that are unprepared or unwilling to participate. This is not fair to those children who arrive fully prepared and ready to go. If your child is not able to meet the above standards, they will need to be picked up early or have the appropriate clothing brought to them. If you need help obtaining required items, please let us know. Again, we want this to be a great experience for all of the children that are attending.

Parents/Guardians: By signing below you agree to the above. Please discuss the above with your child and let them know that by signing they also agree. This form, and signatures, are mandatory for enrollment in the program.
