

Birch Grove Community School

World's Best Workforce Goals (Minnesota Statutes, section 120B.11) 2023-2024

1. Achievement gaps are closed

BGCS does not have a very diverse population and typically has a cell size too small to report.

The percentage of Free/Reduced K-5 students meeting or exceeding grade level will increase 3% from the prior year based on the NWEA MAP assessments in reading and math.

Measure: NWEA data

Reporting: School Annual Report (MS. 124d.10)

2. All children are ready for school

BGCS will increase the percent of children who are ready for school each year.

Measure: Birch Grove Community School will continue to offer the Saplings Program (licensed daycare) for children ages 3-5.

Reporting: School Annual Report (MS. 124d.10)

3. All third-graders can read at grade level

70% or more of all third graders (enrolled by October 1) will read at grade level as measured by the MCA and/or NWEA exams.

Measure: MCA exams (public reporting limited depending on cell size) and/or NWEA exams (public reporting limited depending on cell size).

Reporting: School Annual Report (MS. 124d.10)

4. All students are ready for career and college

Not applicable to an elementary school

5. All students graduate from high school

Not applicable to an elementary school
